

# CCI may Seek Less Info on Mergers

Market share disclosure forms likely to be simplified

**New Delhi:** The Competition Commission of India (CCI) is planning a revamp of the disclosure requirements when entities seek approval for merger deals to make the process less burdensome, people aware of deliberations told ET. At present, disclosures are made under Form II if the market share of the post-merger entity exceeds 10%. The form has 10 queries that seek voluminous details about the deal and post-merger market and the businesses involved.

Form I, or short form, is filed that seeks basic information of mergers and queries are lesser and pruned. CCI is looking if this threshold of 10% market share can be raised, and the outdated queries such as the economics of the segment, data on research and development, and quantitative of efficiencies of the company can be dropped or modified in line with international best practices.

Globally, competition laws focus on queries that are relevant for merging firms and are deemed focused. In combination, companies are required to file Form II as it's complicated, confusing, and not so user-friendly. The exercise is quite cumbersome, "an efficient, easy to the point, told ET. Keeping in mind the challenges, CCI is working to make the regime simpler but much focused on the merger information. So, that will give a clearer picture of the company's status and intent and had track the entire process," the official added.

The disclosure under Form II is mainly to ensure that the merger is not anti-competitive, the official said. Other than market share, Form II has to also be filed if CCI is not satisfied with the combination disclosure or suspects misrepresentation of facts when it is reviewing the application.

## GSK, General Deals Cleared

**New Delhi:** The Competition Commission of India (CCI) on Monday approved the proposed acquisition of consumer healthcare company GlaxoSmithKline Asia Pvt Ltd (GSKAPL) by two other GlaxoSmithKline group entities. It also approved Italian firm Generali Group's proposal to raise its shareholding in Future Generali India Life Insurance to 71% from the current 49%.

## Maritime Transport Firms Face Penalty

**New Delhi:** The Competition Commission of India (CCI) has issued four maritime transport companies penalty of indulging in cartelisation and anti-competitive practices, and imposed total penalty of ₹63 crore on three of them.

The companies are Nippon Yusen Kaisha (N.Y.K. Line), Kawasaki Kisen Kaisha (K. Line), Mitsui O.S.K. Lines (MOL), and Nisam Motor Car Carrier Company (NMCC).
